

SPITFIRE DOORS

THE ART OF PERFECTION

S-200 SERIES

WELCOME TO SPITFIRE DOORS
THE WORLD'S MOST EXCLUSIVE
COLLECTION OF LUXURY ALUMINIUM
RESIDENTIAL ENTRANCE DOORS.

Our doors are works of art, hand-made exclusively for you by our team of highly skilled designers and craftspeople.

Our unique door collections exhibit an extraordinary investment in time, passion and craftsmanship. Our in-house designers are inspired by the potential they see in combining exclusive materials with simplistic engineering precision. Their intuitive creativity is manifested not only by their superb attention to detail but also by producing technically outstanding doors, that we guarantee will excel in all weather conditions, day after day, for decades.

In constructing World Class Aluminium entrance doors, our designers push the boundaries of what is possible and through their unbridled innovation we continue to challenge established protocols, whilst respecting the craft of our gifted assembly technicians.

THE ART OF PERFECTION

1654

"Design is not just what it looks like
and feels like. Design is how it works."
- Steve Jobs, co-founder of Apple, Inc.

"We carefully researched the market and concluded that it had to be a Spitfire Door. We are really delighted with our perfect door."
Dave in Derbyshire

DESIGN OPTIONS

Current trends are easily accommodated since our beautiful S-200 Series aluminium doors can be made on an imposing scale, up to 1150mm in width and an impressive 2400mm in height, plus toplights and sidelights!

In fact, with such an enormous range to choose from, including doors with sidelights, toplights, double doors and French doors, there's a Spitfire S-200 Series door to suit every kind of property, whatever your personal style and taste in décor.

"Simplicity is the ultimate sophistication."

- Leonardo da Vinci

“Secure, aesthetically stunning, inner and
outer porch doors for our peace of mind.”
Neil in Manchester

Letterbox
Silver or Black

Thumb Turn Option
Silver only
All cylinders come with five security keys

Electronic or Optical Peephole
Silver or Black

Winkhaus 5 Point Lock

Four impressive hooks, plus the central deadbolt operate effortlessly when turning the key in your Spitfire door. The five-point design offers an additional layer of security when the door is fully locked. To fully comply with our PAS 24 accreditation, configure your door with this locking system and an external pullbar.

GU Automatic Slamshut Lock

Always locked, always secure – a slamshut lock offers full peace of mind. The moment your door is closed, the two spring-loaded locking bolts, plus the central latch shoot into place. The door can be opened internally simply by depressing the lever handle. From the outside, entrance is gained with one full spin of the key.

Winkhaus 3 Point Entry Guard Lock

Our entry guard locking systems is a clear superior to the traditional door chair. An integral guard bar can be engaged from the inside, adding a further level of security before opening the door.

RAL 7016 Anthracite Grey Textured Finish.

BUILT TO LAST A LIFETIME

ULTRA LOW U-VALUES

50% more thermally efficient, thanks to three weather seals, triple glazing and a fully insulated door slab and frame. A standard S-200 door has a U-Value of just **0.9 W/m²K**, and will reduce your energy bills for generations to come!

MARINE GRADE PAINT & HARDWARE

Our aluminium components are pre-treated and powder coated, which protects them from corrosion in any environment. In coastal applications, we recommend a textured paint finish as this is even more durable. When it comes to maintenance, all that is needed is a regular wipe clean with warm soapy water.

SUPERIOR ALUMINIUM BUILD QUALITY

Aluminium doors are built to last, making them the number 1 choice in Europe. They will never warp, twist or bow. Our single-piece-construction door slabs are a whopping **78mm thick** – **75% thicker** than a traditional front door.

OVER 160 COLOURS

Choose from over 160 RAL colours, matt or textured, wood effects or luxury designer finishes. With more than 65 designs available including the option of double doors, plus a wide range of hardware, every door is a **bespoke entrance piece**, hand-made to order, exclusively for you.

PAS 24 AS STANDARD

Exceptional security for complete peace of mind. Our doors are supplied with multipoint locking systems, laminated triple glazing and PAS 24 + RC2 security certification as standard.

XL DOOR SIZES - 1150MM X 2400MM

Our doors can be manufactured from 700mm up to 1150mm wide and up to 2400mm tall. Every door is equipped with a fully weathered **low aluminium threshold**, to provide ease of access for everyone in your home.

Colours shown are for illustrative purposes only.
